

Prevent the spread of COVID-19

STATE GUIDELINES

- 01 Your children (2 - 9 years old) should wear face coverings.
- 02 If you are homeless, you should follow as many precautions as possible.
- 03 If you cannot wear a face covering because of a medical condition, please wear an alternative. You do not need to prove your condition.
- 04 You do not need to wear a face covering if it causes risk to others. See local, state, or federal regulations or workplace safety guidelines for details.
- 05 If a service requires you to remove your face covering, you may remove it for that service.
- 06 You may remove your face covering while dining inside. You must stay six feet away from other groups.
- 07 You do not need a face covering while exercising or working outside. You must stay six feet away from other groups.
- 08 Prisons will set guidelines in their plans for both inmates and staff.
